May be easier to have the OR folks on conference line only? VTC for R10 & HQ only?

Importance: High

Dennis McLerran's scheduler is reaching out to schedule next senior meeting with Richard Whitman for T or W next week. It will be facilitated by Bill Ross.

We are looking into VTC, with Kevin and Richard at OOO. If the meeting is on Tuesday, Davis plans to be with them in the room.

HQ, if you can be on VTC that would be good. If you do, let me know the details and I will put in a request to hook the VTCs together.

Bill Ross suggests there may be some editing of language, so I will set up adobe connect for screen sharing as well.

Thanks,

Debbie
